Inauguration of PHKAN & Colleges

After months of anticipation and preparatory work by the organizing committee, the inauguration of the Provisional Hong Kong Academy of College (PHKAN) is just around the corner!

On the International Nurses Day (IND) of this year, 12 May 2012, the PHKAN and the 14 Academy Colleges will be inaugurated in the Lecture Theatre of the Hong Kong Academy of Medicine followed by a dinner for celebration of IND at night. The Chief Executive of Hong Kong, the Secretary for Food & Health, and Dr Leong Che Hung along with many other honorable guests have been invited to join this historical moment in Hong Kong nursing. 7 honorary fellows, over 30 founding fellows, and more than 500 specialty fellows will be conferred on the day. In addition, the organizing committee cordial-

ly invited Prof. Nancy Fugate Woods, the previous president of America Academy of Nursing and current nursing professor at Washington University, USA, to give a keynote speech during the ceremony.

The inauguration of the PHKAN symbolizes the initiative and determination of Hong Kong nurses to found Hong Kong Academy of Nursing. With the ever-changing healthcare system, aging population, and a growing public demand for medical resources, the need for specialty nursing practice and education just turns more important and urgent than ever. Promoting the improvement of health care for Hong Kong citizens is always a key goal of the PHKAN.
